

# THE STORM IS COMING.

Defy the Elements™

**STORM CASE™**

# STORM CASE D

## Shelter from the Storm.

Hardigg Storm Cases provide the safest transportable environment for sensitive, expensive or vital equipment. Ten different sizes combine to cover every utilization. No other case can stand up to a Storm.

- **Waterproof**  
Tongue and groove locking lid seals tight.
- **Impact Resistant**
- **New HPX™ High Performance Resin Shell**  
Protects beyond regular materials.
- **Customizable**  
Multilayer cubed foam insert offers unique cushioning applications.

- **Superior Panel Mount Applications**
- **Custom Logo Applications**
- **Vortex™ Valve**  
Automatic pressure regulation for changing environments.
- **Press & Pull Latch Assembly**  
Simple one-button release with superior hold-down capability.
- **Interlocking Base-to-Lid Construction**  
Prevents shifting and reinforces closed-case protection.
- **Strong, Rounded Corners**
- **Durable Soft-feel Handle**  
Lifetime strength with a soft grip.

## Comfort with superior strength.

Unlike the “knuckle-busting” clasps on other cases, the Press & Pull latches on Storm Cases are designed to be strong and release easily at the press of a button. In fact, Storm latches are so much more advanced, they boast TWICE the strength as the others. It's the best of both worlds, easy access plus more secure holding power.

But what good is a case that's not comfortable to transport? Another Storm advantage is the easy-grip handle. Our unique, over-molding process places a soft, durable cushioning layer on top of an ultra-stiff, ultra-strong core to provide a painless grip without compromising strength.

Full product information and a dealer locator are available online at [stormcase.com](http://stormcase.com), 24/7/365. And if for some reason you're offline, or would be more comfortable discussing your needs with a live representative, call 800.542.7344.

# Defy the Elements.

Vortex Valve automatically regulates pressure in changing environments.

Our Press & Pull latch assembly provides simple one-button release plus superior hold-down performance.

Durable soft-feel handle pairs lifetime strength with comfort.
